Thousand Cankers Disease (TCD). Ohio Department of Agriculture has issued an exterior state quarantine to protect Ohio's walnut trees. The quarantine will restrict walnut materials from entering Ohio from areas where TCD has become established. Restricted products originating from or traveling through the regulated areas include walnut nursery stock, unprocessed walnut lumber, or any other walnut material, such as logs, stumps, roots, branches, mulch, wood chips, other products created from walnut trees, and hardwood firewood.
